

IMPACT REPORT

2023-2024

As we reflect on our third year of progress and success, we are grateful for the unwavering generosity of our alumni, faculty, staff, and friends. The 2023-2024 Honor Roll of Donors allows us to publicly acknowledge and extend our gratitude to those who have invested in the future of our law school.

Every donation, no matter the size, continues to make a lasting impact by helping us provide transformative opportunities for our students that would not have been possible without your support. Your support empowers us to enhance our programs, enrich the student experience, and further our mission to educate the next generation of legal professionals.

This report honors the donors who made gifts during Fiscal Year 2023-2024. Thank you for your continued commitment and generosity.

Atlanta's John Marshall Law School's Impact Report was published by the Office of Development and Alumni Relations. Every effort has been made to publish an accurate report regarding gifts to the Law School. If, however, you feel any information contained in this report is incorrect, contact Wendy Aina at (678) 916-2674 or waina@johnmarshall.edu

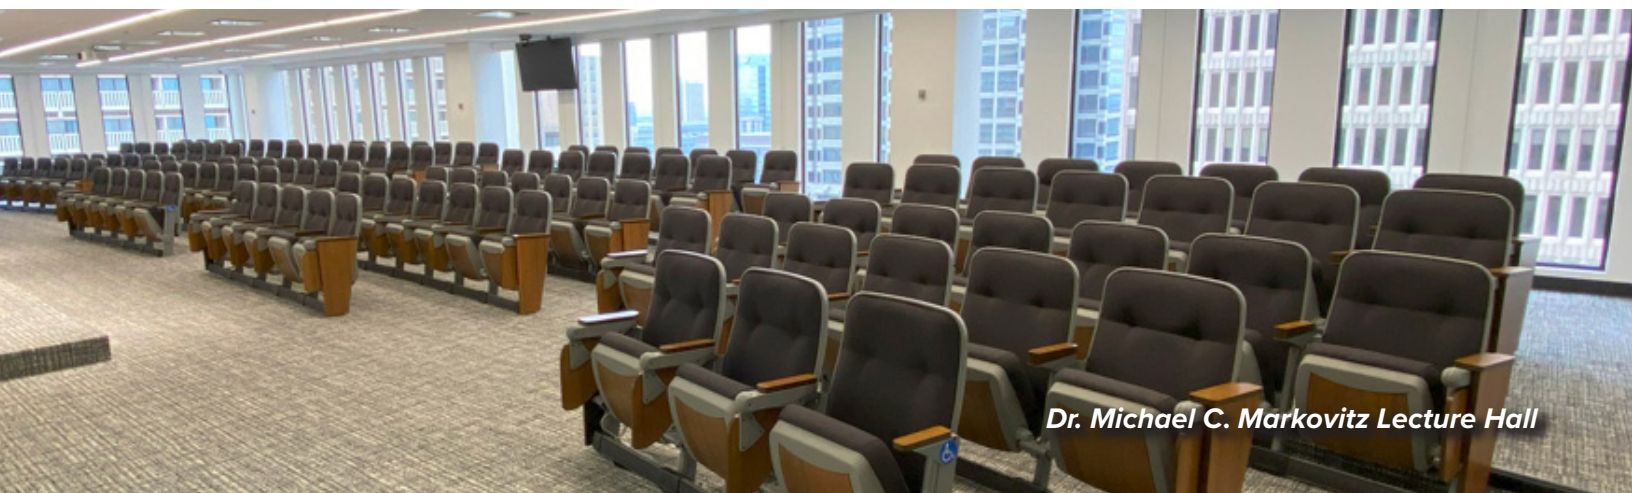

Atlanta's John Marshall Law School (AJMLS) remains steadfast in its commitment to delivering a top-notch legal education, aligned with its founding mission of granting non-traditional students access to legal studies.

In the year 2024, AJMLS had the privilege of awarding more than 30 scholarships.

Over 100 students diligently applied for scholarship assistance in 2024. However, the demand for financial support far exceeds our capacity to provide it.

Many of our students must balance internships alongside their studies to sustain themselves financially.

A scholarship not only alleviates the substantial financial strain on our law students but also affords them the essential time and opportunity to focus on their studies and remain committed to their legal education.
